

# TORONTO Shelter, Support & Housing Administration

The Shelter, Support & Housing Administration Division contributes to healthy communities by ensuring that vulnerable people have a range of shelter and affordable housing options. We provide temporary shelter and support for homeless individuals and families while supporting the City's efforts to create and maintain permanent housing solutions. Our relationship with clients ranges from provision of direct services to homeless families and individuals needing emergency assistance funding about 350 different community agency partners to deliver emergency shelter and other services for people who are homeless or vulnerably housed. This includes 170 social housing providers and 70 co-ops.
