How do I access the Scarborough Furniture Bank (SFB)?

Referral Process: Clients require a referral from a housing worker who works for a registered SFB partner agency. All SCHC referrals to the SFB are made by the Homelessness Intervention Coordinator after suitability is determined. Other SCHC staff members can direct their referrals to the Homelessness Intervention Coordinator – Nicole Walters via furniturebank@schcontario.ca

Access: Clients may access this program one time unless there are extenuating circumstances.

Eligibility: Basic guidelines are provided to each SFB partner and it is up to the referring worker to decide based on these guidelines. These include those who have been recently housed after leaving a shelter, newcomers who are settling, after having bed bugs and individuals who do not have furniture.

Catchment Area: Residents of Scarborough or those moving into Scarborough.

Furniture Bank information

The Scarborough Furniture Bank is open to clients by appointment only. Clients' appointments to select their furniture take place on Tuesdays, Thursday and Saturdays.

Deliveries of the clients' selected furniture take place on Mondays, Wednesdays and Fridays.

Clients access the Furniture Bank during their allotted appointment time and self-select furniture from the 4,500 sq. ft. showroom.
